

Gateway Finance Brokers Limited

Lending Specialists for all Wholesale Borrowers

Company Profile

"Our mission is to be the premier provider of superior financial solutions by earning people's trust in the most friendly, professional manner possible".

At Gateway, we have a passion to take our clients on a great journey knowing that if we do this successfully, our clients will come back and request our services again. The simple fact is our clients come back to us year after year. For some of them we would have completed more than 50 individual transactions in true and trusted partnership.

The best news is our clients tell their friends about their Gateway experience. Couple this with the fact that many professionals, accountants, lawyers, financial planners, and advisers including mortgage advisors recognise our skills and refer us because they know we are one of the best in New Zealand at providing a finance solution for all of our clients. Furthermore, we have considerable experience in the finance needs of manufacturing businesses. We are proud of our reputation and do our best to ensure we at Gateway maintain a very high standard of service with mutual trust & respect.

Gateway Finance Brokers Limited has the experience, knowledge, and expertise to assist in all commercial and business loan requirements as well as, loans secured over residential properties and car finance for our clients. Gateway Finance Brokers Limited was established in 2002 initially specialising in funding for small to medium builders and developers. The company quickly developed a reputation for setting the more difficult scenarios. This included business finance, working capital and those more technically complex deals that required our professional expertise to find the correct solution. The simple fact is we really do understand finance in its broadest concept, and this has meant the bulk of the funding that we arrange today is for commercial borrowers and business finance borrowers, who all borrow money to make money. Our lenders recognise our skill and knowledge and provide us with a matched extensive product offering for our very varied array of clients to ensure we maintain our flexibility to ensure their financial success.
